High quality, fresh local food at Café Verde

At Café Verde we pride ourselves in using high quality, fresh, locally sourced food so you can be sure that your food hasn't travelled far to your plate! With the emphasis being on local we have raised the steaks and produce all of our own special recipe burgers, sausages and steaks in-house. Our pork is from Blythburgh, our beef is Aberdeen Angus or Hereford Cross from Norfolk Farms and our Poultry is also local.
