*Much more than a conference centre*

# Meetings

Available for hire with a range of configurations and state-of-the-art IT support.

## Blue Sky Boardroom

Our Blue Sky Boardroom is a smart, professional space with soothing lighting appropriate for small meetings, presentations or working lunches for up to 14 delegates. It is fully fitted with presentation and video conferencing facilities.

## Brite Suite

This bright and airy suite is large enough for a variety of layouts. With full WiFi capability and Smart board, the space can be easily adapted to suit most scenarios. Ideal for groups up to 25.

## Facilitation and Information Suites

The Facilitation and Information suites are ideal as breakout rooms and classrooms for smaller teams of up to 22 delegates. With interchangeable desks and mobile Smart board, we can arrange the suites to match your organisation's needs.

# Conferences

*Available for hire with a range of configurations and state-of-the-art IT.*

southgreen  
park

## The Enterprise Suite

The Enterprise Suite is a flexible conference and meetings suite with the ability to be closed down into three separate meeting rooms - the Inspiration, Innovation and Illumination suites. Each of these is available for hire with the option of hiring an additional adjoining suite. In its fully opened setting, the Enterprise suite can hold up to 120 delegates. The Suite includes optional ceiling mounted projectors, automated screen, sound system and hearing loop.

## The Academy Suite

The Academy Suite is a flexible, large meeting room which is flooded with natural light and has exceptional views over our landscaped gardens. The suite is equipped with presentation facilities including a ceiling mounted projector and automated screen. The Academy suite can hold up to 60 delegates at one time.

# Specialist training facilities

Available for hire with or without support staff.

**Butchery**

**Cookery Studio**

**Hair Salon**

## Information Technology

Our Communication and Impact IT suites can accommodate up to 20 PC & 10 iMac workstations together with break away table and projection equipment. Whatever the programme or duration, we have the solution for you.

## Cookery Studio

The Cookery Studio is a high-tech, modern teaching and demonstration space. The Studio has 8 individual workstations, but could be used for up to 16 students and has one tutor workstation. A ceiling mounted LCD projector and motorised projection screen are provided for multimedia demonstrations.

## Product Development Kitchen

Our product development kitchen is fitted with all the modern equipment you will find in a professional trade kitchen. The kitchen is an ideal environment to hire out and run one-to-one workshops or group sessions.

## Hair Salon

Our well equipped, modern Hair Salon provides an ideal environment to deliver training, to gain skills for a career in the hair and beauty industry.

## Butchery

Our state-of-the-art butchery is fully equipped with all the facilities you would expect to find in a commercial outlet. This bespoke suite is available to hire as an extension of your own butchery or to deliver bespoke training.

# Learning vehicles

State-of-the-art learning facilities brought to your premises, available for hire with or without support staff.

## IT Vehicle

With its 10 individual workstations, our IT vehicle is ideal for delivering computer based training. On-board internet connection providing high-speed internet access and self-generated power supply means this vehicle can be used anywhere at any time.

## Information Vehicle

The Information vehicle has been developed to provide on-site advice and guidance, but can also double up as a classroom or off-site meeting vehicle.

## Hospitality Vehicle

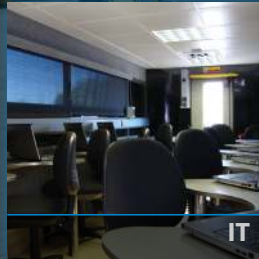

The Hospitality vehicle is a fully-functional commercial kitchen on wheels that provides a high-end kitchen facility in any location. Ideal for extra kitchen space or as a food outlet.

Whether you are looking for a fun day out, a corporate team building day or maybe just a day out with the school we have something for everyone.

# Catering

*Our catering team are available for both on site and off site events.*

## Catering

Our catering team pride themselves in sourcing fresh, local ingredients and our recipes use meats prepared in our on-site butchery. Our chefs are on hand to discuss your requirements and then create a menu that suits you. We have developed a range of buffet options for you to consider and select.

We can cater and staff off-site functions at your venue and also have a mobile kitchen facility.
